

BASE ACCESS FAQ - INVITED INT'L GUESTS

How should I arrange base access for a general officer or civilian diplomatic equivalent invited international guest?

Special base access arrangements will be extended to general officer or civilian diplomatic equivalent invited international guests by Marine Corps Base Quantico authorities via coordination with the Modern Day Marine Show Director. Please contact Alexander Hetherington at alexander.hetherington@emeraldx.com to initiate this process. Once arrangements are confirmed, the Modern Day Marine Show Director will communicate details for base access to the established point of contact. Request that coordination for such arrangements be initiated no later than two weeks prior to the date of visit.

If an invited international guest, or a member of their party, but not a general officer or civilian diplomatic equivalent, what type of information will I need to provide in the DBIDS enrollment process?
