STEP 2

UPDATE YOUR COMPANY'S PROFILE

It is SO important for you to update your company information as this info is the only way MDM attendees can find your company in the printed show directory, app, and the online exhibitor directory!

From your [Exhibitor Dashboard](#) page, update as much of the information below that is available to you depending on your package level:

1. Add your company photos:

- Click on the 3 dots on the top right of the cover photo and click on Add Photo, Add Cover Photo and Add Featured Photo

The screenshot shows the Exhibitor Dashboard profile page. At the top right, there is a user menu with options: View Jill's Profile, My Account, Admin Panel, and Log Out. The main profile area features a large cover photo placeholder with the text "UPLOAD YOUR IMAGE HERE" and "Size: 1440px X 360px". Below the cover photo is a company profile section with a circular logo placeholder, the text "COMPANY", and "Emerald Reserved". A progress bar shows 22% completion. Below the profile section are three cards: "Profile" (with "You have 5 more fields to add!" and an "Edit" button), "Profile Photo" (with "Click below to add a new photo!" and an "Add Profile Photo" button), and "Cover Photo" (with "Click below to add a new cover photo!" and an "Add Profile Cover Photo" button). Two red callout boxes with white text and black arrows point to the logo and cover photo areas. The first callout says "PHOTO: Add your company logo" and the second says "COVER PHOTO: Add a IMDMstyle or product image".
