## STEP 2

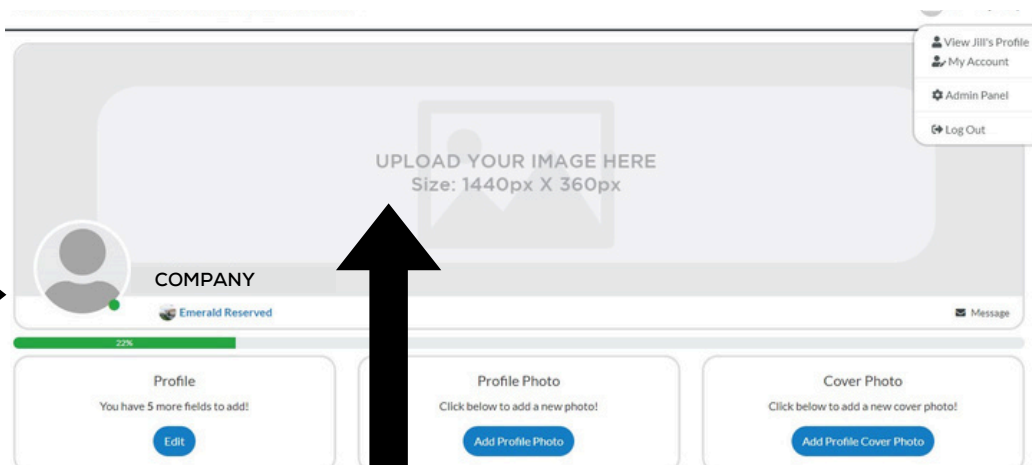

### UPDATE YOUR COMPANY'S PROFILE

It is important for you to update your company information as this info is the only way MDM attendees can find your company in the printed show directory, app, and the online exhibitor directory!

From your [Exhibitor Dashboard](#) page, update as much of the information below that is available to you depending on your package level:

#### 1. Add your company photos:

- Click on the 3 dots on the top right of the cover photo and click on Add Photo, Add Cover Photo and Add Featured Photo

The screenshot shows the Exhibitor Dashboard profile page. At the top, there is a large area for the cover photo with the text "UPLOAD YOUR IMAGE HERE" and "Size: 1440px X 360px". Below this, there is a section for the company profile, including a profile photo placeholder and a "COMPANY" name field. A progress bar shows "22%". To the right of the profile section, there is a dropdown menu with options: "View Jill's Profile", "My Account", "Admin Panel", and "Log Out". Below the profile section, there are three buttons: "Edit", "Add Profile Photo", and "Add Profile Cover Photo".

Annotations:

- A red arrow points from the "PHOTO: Add your company logo" callout to the profile photo placeholder.
- A red arrow points from the "COVER PHOTO: Add a IMDMstyle or product image" callout to the cover photo upload area.

## 2. Update your company's **About** section

The screenshot shows a form for editing the 'About' section. On the left is a sidebar with 'About' and 'Contact' links. The main area contains three fields: 'Name' with the value 'Pride Mobility Products', 'What We Do' with a detailed description of the company, and 'Website' with the URL 'https://www.pridemobility.com'. A blue '[Edit]' link is in the top right corner, circled in black with an arrow pointing to it.

- ▶ **Name:** Add/edit your company name how you would like it to appear in the app and online exhibitor listing.
- ▶ **What We Do:** Add a description of your company so buyers know who you are, what you sell, and why they should buy your products.
- ▶ **Product Categories:** Select your relevant Product Categories, as this will ensure your company is listed in these sections of the printed show directory and when buyers search the online exhibitor listing. The number of categories you may select depends on your package level.

**!** Don't forget to click **SAVE** once you are finished!

## 3. Update your company's **Contact** section

- Click **Contact** and then click on the **Edit** link
